## From the Principal's desk....

Vidhijina 2023-24, a record of all important activities, initiatives, incidents and achievements of the college, brings good wishes to all!! This year will remain memorable for the NAAC reaccreditation of the

college in the second cycle! We are undoubtedly unhappy with the 'B' grade and we will spare no efforts to obtain the best grade. However we know for certain that the poor grade was because government had not recruited full time teachers after 2007! We will pursue with the government for NOC to appoint teachers.

We are looking forward to having an LL M programme. With all preparations and proposal submission, we wait with hope.

शुभं करोति कल्याणमरोग्यं धनसंपदा।

## **"International Democracy Day" Celebration on September 15**

Every year on September 15, International Democracy Day is celebrated worldwide, serving as a reminder and celebration of governance focused solely on public welfare. According to the Universal Declaration of Human Rights of 2008, recognizing and celebrating democracy is not merely a need; it is a right of every individual. To commemorate this day, numerous parliamentary events, photography competitions, debates, and other activities are organized globally. Similarly, VPM's TMC Law College, Thane, in collaboration with the Electoral Literacy Club, organized a workshop at 4:30 PM on September 15, 2023, to celebrate this occasion. The workshop was divided into three distinct stages, the first of which was an oratory competition on the topic "One Nation, One Election." In this competition, students expressed their views on how the structure of Indian elections aims to unify the electoral system. They discussed how the election cycle should ideally be set so that elections for the Lok Sabha and state assemblies could be synchronized within a fixed period. On this occasion, participants also conducted a deep comparative analysis of the voting systems of India and the United States.

The second stage of the event featured Mr. Edric Miranda, a legal journalist and legal expert with experience practicing in India and other countries. Mr. Miranda, who specializes in intellectual property rights, arbitration, Chinese law, Portuguese law, and other topics, gave a lecture. His primary topic was "Legal Remedies through Legislation," which uniquely addressed how justice can be sought through law rather than solely through courts. Mr. Edric recently authored a book on this topic titled "Justice Need Not Be Judicial," where he illustrated through numerous examples from daily life the challenges a common person faces in seeking justice through judicial processes. In the final segment of the event, the college had the honor of felicitating our own students who have been elected as members of various Gram Panchayats. These students included Ms. Ramraksha Sonar (Shahapur Gram Panchayat), Ms. Shubhangi Nichte (Shahapur Gram Panchayat), and Ms. Rupali Thorve (Karjat Gram Panchayat). Although Ms. Ramraksha Sonar could not attend, the other student members enthusiastically shared their experiences, emphasizing the significance of Gram Panchayat membership and youth participation in politics. They stressed the importance of active involvement in politics to bring about positive social change.

# ❧ VIDHIANA 2023- 2024 ❧

## **Disaster Management Practical Training:**

"Disasters are beyond our control, but we can control how prepared we are."

In line with this sentiment, a special Disaster Management Practical Training was organized on April 15, 2024, as part of an additional certificate program at VPM TMC Law College, Thane. The training covered Disaster Management Law and was conducted by exceptional trainers from Yashwantrao Chavan Academy of Development (YASHADA), Pune, including Shri Vivek Naidu, Shri Lakhan Gaikwad, and Shri Akshay Patil.

The session began at 2:30 PM in the college's Manu Hall (Moot Court Hall). The program started with a warm welcome by Assistant Professor Mrs. Krishna Kamath Keskar, followed by the introduction of the trainers and their felicitation. The In-Charge Principal Dr. Shri Vidya Jayakumar delivered the welcome speech.

Shri Vivek Naidu initiated the training session, engaging students with brain teaser activities to capture their full attention. He emphasized the significance of disaster management training in our daily lives, explaining that natural or man-made disasters can occur at anytime, anywhere. He stressed that we must be equipped with basic life-saving skills and limited available resources to save ourselves and others.

As the training progressed, various practical aspects were covered, including life-saving techniques, basic first aid training (CPR), firefighting, and other essential skills. Dr. Mahesh Barve, a senior anesthesiologist and visiting faculty member, demonstrated CPR techniques. The master trainers also shared life-saving measures for incidents such as snake bites, dog bites, and bee stings. They also highlighted real-life emergency situations, such as the need to turn off gas regulators before going to bed.

At the end of the training, students were taken to the college's basketball court, where they were given hands-on training on how to use a fire extinguisher and extinguish a fire. This was an important lesson, as even though fire extinguishers are available in many places, people rarely know how to use them effectively. The training ensured that students learned how to operate firefighting equipment and apply it in real-life situations.

## NAAC RE-ACCREDITATION

**T**MCM Law College of Vidya Prasarak Mandal received accreditation from NAAC in 2004. Among all the law colleges under Mumbai University, the college of the Mandal was the only college to have NAAC accreditation. Until around 2020, the institution's college remained the only NAAC-accredited law college within Mumbai University. With the aim of securing NAAC accreditation once again, the college initiated the NAAC accreditation process in the academic year 2021-22. For this, the necessary cooperation and guidance were provided by the administrators of Vidya Prasarak Mandal, particularly the invaluable support and guidance of the institution's working president, Dr. Vijay Bedekar, and Dr. Mahesh Bedekar.

Overcoming all challenges within the college, the complete report for 2021-22 was submitted to NAAC after fulfilling all necessary processes and paying the required fees. The NAAC members were invited for inspection. As per NAAC rules, the AQAR was completed, and the IQA and SSR were filed. Considering all the reports submitted by the college, NAAC decided to visit the college on December 14 and 15, 2023. The college completed all the pre-inspection processes on time as per NAAC rules. Accepting all challenges and following the Mandal's guidance, the college prepared for the NAAC visit by forming various committees and ensuring proper preparation.

On December 13, 2023, the faculty and students welcomed the NAAC members at Mumbai Airport. As per NAAC rules, a zero meeting was held at 10 PM on December 13, 2023, in which the institution's president Dr. Vijay Bedekar, In Charge Principal Dr. Srividhya Jayakumar, and IQAC Coordinator Prof. Vinod Wagh were present. On December 14, 2023, at around 8:45 AM, the NAAC members were welcomed at the college with the traditional Maharashtrian cultural performance of *Dhol-Lezim*. Students enthusiastically participated in this welcome. After that, the NAAC members were welcomed and felicitated by the In Charge Principal in front of the college's Preamble Wall. The inspection was conducted as per the NAAC rules and schedule.

## ❧ VIDHYA 2023- 2024 ❧

The college had invited alumni, parents of students, and former teachers, with whom the NAAC members interacted and discussed. Lunch was arranged for all participants at 1 PM, where institution members as well as university and government representatives were present. The four NAAC members inspected all the facilities and arrangements in the college, including classrooms, Moot Court Hall, staircases, drinking water facilities, computer rooms, the library, gymkhana, canteen, playground, and the auditorium.

At 5:30 PM, a cultural program was organized at Panini Hall, where students performed classical dances, *Lavani*, and plays providing information about law. The cultural program received appreciation and praise from the NAAC members. Thus, the first day's events concluded.

On December 15, 2023, the NAAC members arrived at the college again at 9 AM. On the second day, as per NAAC rules, the members completed their necessary inspection. After lunch, the NAAC members began writing their report. At 7 PM, an exit meeting was held where the NAAC members expressed their feedback and handed their report in a sealed envelope to the institution's working president, Dr. Vijay Bedekar, and In Charge Principal Dr. Srividya Jayakumar. During this meeting, Dr. Vijay Bedekar felicitated all the NAAC members with shawls and *Shrifal* (coconuts). The exit meeting concluded with a vote of thanks by IQAC Coordinator Prof. Vinod Wagh.

On December 21, 2023, the college was awarded a 'B' grade accreditation by NAAC. Among all the law colleges under Mumbai University, the institution's law college is the only law college to have received NAAC accreditation for the second time. All teachers and non-teaching staff played an invaluable role in the overall NAAC processes. In Charge Principal Dr. Srividya Jayakumar, IQAC Coordinator Prof. Vinod Wagh, Librarian Sheetal Sonawane, Prof. Hetal Mishri, Prof. Krishna Kamat, and visiting faculty members Shri Ambar Joshi, Smt.
